

NEWSLETTER April 2018

Welcome back after the Easter Break.

As many of you will now know we finally reached our target to purchase a new minibus. Kevin and I travelled to Sunderland just before Easter to collect it. We are all delighted with it and would like to thank everyone for the support Working World received to be able to purchase a second minibus.

We are delighted to announce an amazing fundraising event which took place on Easter Saturday at The Plough, Upton Upon Severn. Pete, H and customers had a day of fun and festivities where they raised the amazing sum of £3,400 for Working World we cannot thank everyone involved enough. The money is going to be used to sign write the new minibus, purchase two laptops and ICT equipment and the remainder placed in the client fund to subsidise social and recreational activities. Huge thanks also go to Ian, Karen, Kerry, Lisa and Steve (James) for their continued support.

All clients are going to have the opportunity once a month to cook a meal to take home. If you would like to do this please fill in the reply slip and I will let you know the dates you are cooking. There is no limit to how many meals you take home, therefore if you would like to cook for your family or house mates that is fine. The cost will be £2.50 per portion.

A former colleague of mine Sally Overthrow is a qualified FABS Instructor (flexibility, aerobic, balance and strength) she also has qualifications and many years experience working with adults with a learning disability. She is going to be doing a weekly group session at Working World starting on Monday 14th May 2 - 3pm. The cost is £4 per person however WW will subsidise therefore the cost per person will be £2. If you would like to attend please complete the reply slip. (A member of WW staff will be present)

If you are having a spring sort out please don't forget that we have our own clothes bin now. We are very grateful of any unwanted clothes, shoes etc.,
